

# Exhibitor Lead Retrieval Services Order Form

November 2, 2023  
NJ Convention Center  
Edison, NJ

The **ExpoLeads Mobile App** is available to work with your smart phone or tablet (iOS and Android with a minimum 5MP Camera). A license is required for each device. Generate leads by scanning barcodes or manually entering badge numbers. You can add custom qualifiers—such as “Hot Lead” or “Decision Maker”, personalized freeform notes, and attach pictures - such as of the prospect or their business card. Attendees can also be surveyed with single or multiple choice questions or open text responses. Leads can then be accessed on-line and/or sent as an email in spreadsheet form to anyone you want directly from the App.

**Download and activation instructions will be emailed one week prior to the event.**
