ExpoLeads Mobile App is available to work with your smart phone or tablet. (iOS and Android with min 5MP Camera). A license required for each device. Generate leads by scanning barcodes or manually entering badge numbers. You can add custom qualifiers—such as "Hot Lead" or "Decision Maker", personalized freeform notes and attach pictures, such as of the prospect or their business card. Attendees can also be surveyed with single or multiple choice questions or open text responses. Leads can then be accessed online and/or sent as an email in spreadsheet form to anyone you want directly from the app.

Instructions for downloading and activation will be emailed one week prior to the event.
